

Help make the Cold War go Viral

Project Title	Help make the Cold War go Viral
Project Summary	Seeking creative individuals to produce unique info-graphics, imagery and other digital art or text for the park's Facebook page, designed to inspire people to explore the historic site.
Country	United States

Project Description

Minuteman Missile National Historic Site is seeking creative individuals to compile, design, and produce unique info-graphics, imagery, and other digital art and text for the park's Facebook page to inspire people to explore the historic site. The unique graphics and text created by you could include many different types of artistic expression, include visual art, poetry, quotations, and other types of artistic inspiration. The many national days of celebration, recognition, and acknowledgement, like National Public Lands Day, National Get Outdoors Day, National Take Your Bike to Work Day, along with national holidays like Veteran's Day, the 4th of July, Memorial Day, and others could serve as inspiration s for these posts. After some initial training, group discussion to form a common vision, and a review of the agency's social media policies, we will strive to post multiple posts each month. Familiarity with and access to graphic design program will be vital to the success of this internship. You do Not have to be an expert to apply!
